

Asset Management & Investment Funds - Monthly update - March 2024

Hello and welcome to the A&L Goodbody Soundbite Series. My name is Nollaig Greene and I am a knowledge lawyer in the Asset Management and Investment Funds team. I'm going to summarise our March 2024 regulatory bulletin.

In it we cover both Irish domestic developments and EU developments relevant to the Asset Management and Investment Funds space. You can find more detail in our monthly bulletin on our website. On the domestic side we include a list of compliance deadlines.

We look at the Central Bank of Ireland's authorisation process for LTIFs, the Central Bank of Ireland's financial regulation priorities for 2024, a Central Bank of Ireland spotlight on financial crime, two Central Bank of Ireland markets updates, a Central Bank of Ireland consultation on the Consumer Protection Code and the independent review of the Central Bank of Ireland fitness and probity approval process.

And in EU and international developments we look at an updated set of consolidated Q&As on the PRIIPs KID, ESMA's 2023 guidelines on stress test scenarios under the MMF regulation and some anti-money laundering, counter-terrorist financing and financial sanctions developments.

And that's our March 2024 summary. My email address is ngreene@algoodbody.com. Thank you.
