

Asset Management & Investment Funds - Monthly update - May 2024

Hello, and welcome to the A &L Goodbody Soundbite series. My name is Nollaig Greene, and I am a knowledge lawyer in the Asset Management and Investment Funds team. I am going to summarise our May 2024 regulatory bulletin.

In it we cover both Irish domestic developments and EU developments relevant to the Asset Management and Investment Funds space. You can find more detail in our monthly bulletin on our website. On the domestic side, we include a list of compliance deadlines, and we look at the Central Bank of Ireland's markets update, featuring macroprudential measures for sterling denominated liability driven investment funds, and ESMA guidelines on stress test scenarios for money market funds.

In EU and international developments, we look at ESMA's guidelines on funds names using ESG or sustainability related terms. ESMA's call for evidence on usage eligible assets, the UK roadmap for the overseas funds regime, macroprudential policy and AML CFT FS developments.

And that's our May 2024 summary. My email address is ngreene@algoodbody.com

That's ngreene@algoodbody.com. Thank you.
